

OBSTETRICAL INSTRUMENTS

www.intraopsurgical.com

info@intraopsurgical.com

We are a family owned and managed manufacturing unit that aims to provide solutions to our customers' everyday surgical instruments needs and challenges.

We aim to provide excellent customer service and we promote a 'can do' culture. We aspire to being the easiest company in the market to deal with for any and all of your surgical instrument's needs.

At all times we aim to provide high-quality surgical products with quality matching German made instruments. Our instrument range is regularly updating and growing with the newest technological advances. We are proud to offer cutting edge surgical instruments at competitive, value for money prices.

Intraop Surgical attempts to continuously improve the quality, reliability, and cost of all its manufactured products and services. Intraop Surgical works closely with all our strategic managers to develop continuous improvement systems that will bring value to our organization. Systems may range in scope from:

- * Improved Quality
- * Customized products for special needs customers
- * New products or existing product enhancements
- * Provision of engineering diagrams
- * Cost Reductions
- * Productivity improvements
- * Package designing and innovation
- * Surgeries catalogue demonstration
